High School

Memphis, Tennessee  
Volume XXII

# Dedication

Mr. George Stone

In the past many talented men have contributed to the betterment of Christian High School. One of the most outstanding of these men is Mr. George Stone. Having been a member of the faculty for over ten years, he has always held the admiration of his students and fellow teachers. Not only active in academic areas, Mr. Stone has been a member of the varsity football coaching staff for many years. It is in recognition of these fine qualities and admirable service that Christian Brothers High School wishes to dedicate this yearbook to Mr. George Stone.

The spirit of Christian Brothers High School is exemplified in its highest honor, membership in the National Honor Society. These few students epitomize the coveted ideal of scholarship, leadership, character, and service necessary for election into this select group. We are proud to extend this honor to these young men.

This year's Student Government, under the guidance of Brother Adrian and the leadership of Terry Dan, soared to new heights in school standards. All five committees were very active and they sponsored many school events.

Welfare Committee—The Gold Slip collections, traffic direction in the parking lot, and Cafeteria Clean-Up were sponsored by them.

Committee-at-Large—The Charity Drives were a great success with C.B.H.S. continually being one of the highest collecting schools.

Publications Committee—Posters around the school and a monthly calendar were a few of the ways the committee informed students of upcoming events.

Athletic Committee—The Go Brothers Club and intramurals were the main responsibilities of this committee.

Relations Committee—The Homecoming Dance and many other social functions came off well as a result of the hard work of this committee.

Something to be proud of!

Hard work, perseverance, and a desire for quality, were all ingredients in this 1968 *Chronicle*. This year, unlike many in the past, the work was done by a large staff, not just the editors. The *Chronicle* is merely a means of conveying the quality of all C.B.H.S. students in all phases of high school life. It is with this intent that the editors present this edition of the *Chronicle*.

EDITORS: BOTTOM TO TOP: N. Schiesari, S. Bratton, J. Montesi, P. Walsh, M. Pendergrast, I. Wahl, K. Guillory, Pat Welsh, R. Landrigan.

Continuing the standards set by its five years of publication, the 1967-68 C.B.H.S. *Log* brought to its subscribers the finest in amateur art, verse, and prose. Besides drawings by Mike Frase and Calvin Foster many original literary works by C.B.H.S. students and correspondents from four Memphis girls' schools were presented. Direct, presentive, appropriately avant-garde, are a few of the adjectives describing this year's *Log*.

"The students really enjoyed reading it." To the editors of this year's Maurelian, these words summed up their goal. Jay Mattingly served as editor-in-chief and, under a new system, was assisted by several page editors, with Mr. Laccchia as moderator. From the informative and incisive news reporting to the well-written and different, to say the least, humor columns, the Maurelian seems to have well earned these words of praise.

# Band

The Christian Brothers' High School Band, under capable direction of Mr. Ralph Hale, has again retained its status as the number one band in the state of Tennessee.

The excellence of the 1967-68 Band can be attributed to the long hours of instruction, practice, and hard work of Mr. Hale and the band members. Since the organization of the first band at C.B.H.S., it has provided great support for many school functions.

This year the C.B.H.S. Band played for the dedication of the new downtown Lowenstein's. It was also the host of the Mid-South Band Clinic. A portion of the band members played for the Goodfellow's Party for the Blind, and a stage band performed on New Year's Eve. At the All-West Tennessee Band Tryouts, C.B.H.S. placed nine members in the All-State Band, and twelve in the All-West Tennessee Band.

## Drama

The C.B.H.S. Drama Club began its year with the election of officers, followed by its first show, "The Man Who Came to Dinner," a tremendous success. The spring production, "A Tribute to Rogers and Hammerstein" was somewhat of a variation from the normal. It was a lively musical coordinated between the band, chorus, and dramatists of C.B.H.S. and St. Agnes.

OFFICERS: R. Samelson, Secretary; B. White, Publicity; T. Bell, President; J. Chambers, Vice-President.

# A Tribute to Rogers and Hammerstein

# Key Club

This year's Key Club came through as it always has, showing leadership and providing many activities for C.B.H.S. students.

The annual Oscar Assembly, which took place in early May was one of the most successful in the school's history. Also introduced this year was a Spring dance to create an extra opportunity for underclassmen to show school spirit.

## Go Brothers

This year the Go Brothers Club stirred up school spirit to a boiling point. The club fostered all school events with emphasis on athletics. The Go Brothers put up signs prior to all football, basketball and baseball games in order to alert the student body and bring more spectators to the games. The masterminds this year were Randy McLarty, Dick Lanigan and Jack Marlow. Under their expert guidance the goal posts were decorated before each game and the Band's Big "B" was transported to and from the games. This was the third year of the Go Brothers' existence as a school organization and its success promises to be repeated in years to come.

## Benildus Club

The purpose of the Benildus Club is to promote the development of its members into true Christians mainly through involvement with others. A prime example of this involvement is the monthly Mass and discussion held at school and presided over by a different guest speaker each month. Striving for a better insight into true Christianity, the Benildus Club held its annual Christmas Basket drive with the members delivering food to the less fortunate. Once again this year the club has sent representatives to tutor the children of St. Thomas School. The Benildus Club enjoyed a very successful and rewarding year due largely to the superior guidance of Brother Emmett and the watchful patronage of the newly canonized Saint Benildus F.S.C.

# Camera Club

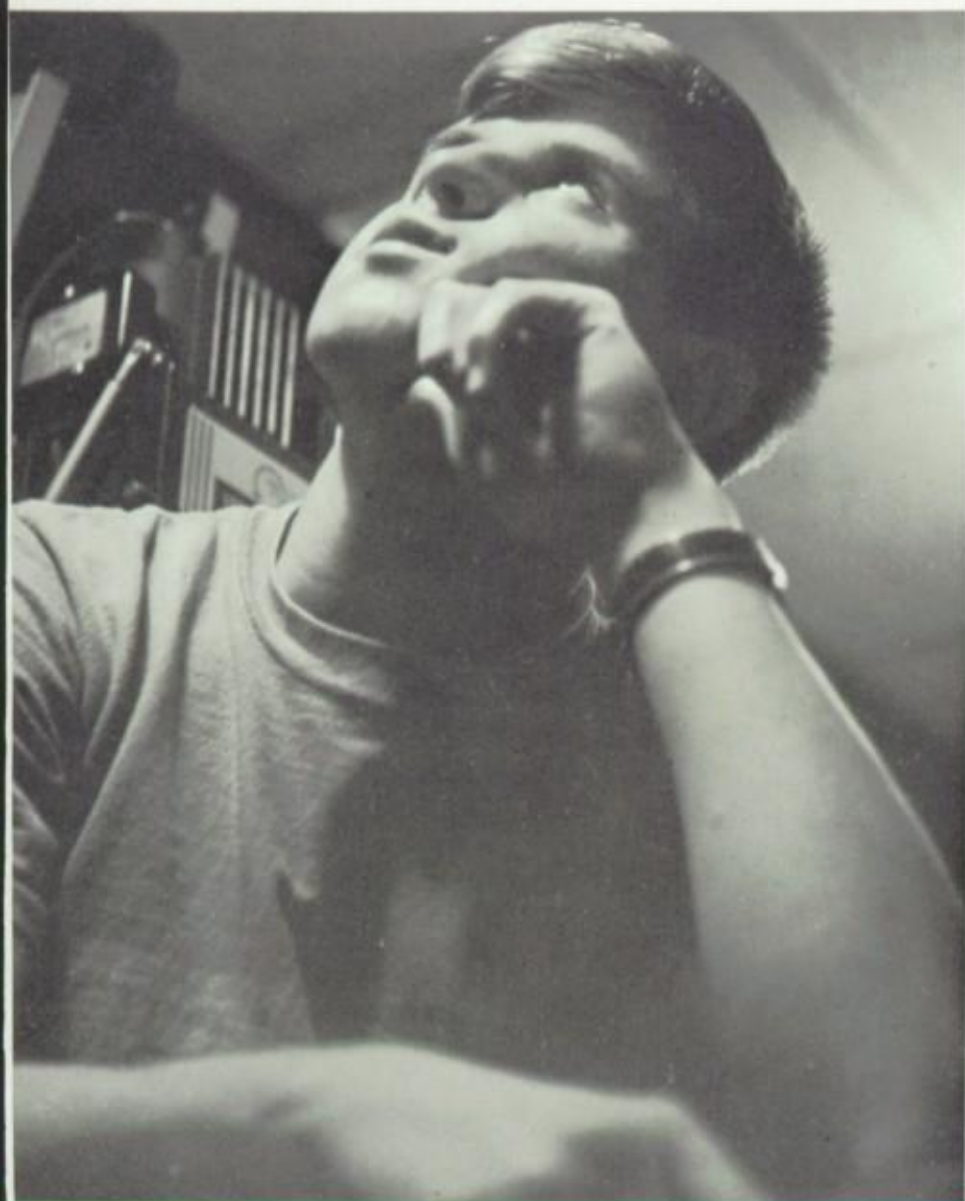

This year, under the guidance of returning Brother Lawrence Justin, the entire structure of the Camera Club, including the darkroom itself, has undergone an extensive renovation. Organization is now the key word while the stress on quality and efficiency still remains. One aspect of Camera Club activities that most of the students are familiar with is the ever-presence of the roving shutterbugs wherever one turns at a C.B.H.S. social event.

The purpose of the Radio Club is to provide an atmosphere where those students interested in electronics may further develop their talents into a skillful hobby. Besides outside tours and films the year's activities included improving the Radio Shack and completely re-designing our present transmitter.

# Investment Club

OFFICERS: D. Forestiere, Secretary; J. Waller, Co-chairman; G. Salles, Co-chairman.

The opening of the C.B.H.S. Investment Club paved the way for a new type of club; one in which the average student with no particularly outstanding talent could join and enjoy himself. The only requirement for membership was a genuine interest.

It was the only club which gave cash prizes to individuals. The prizes were awarded on the basis of the most profit made in the stock market with a numbered amount of imaginary money during the school year. First prize was twenty-five dollars; while second prize was ten dollars.

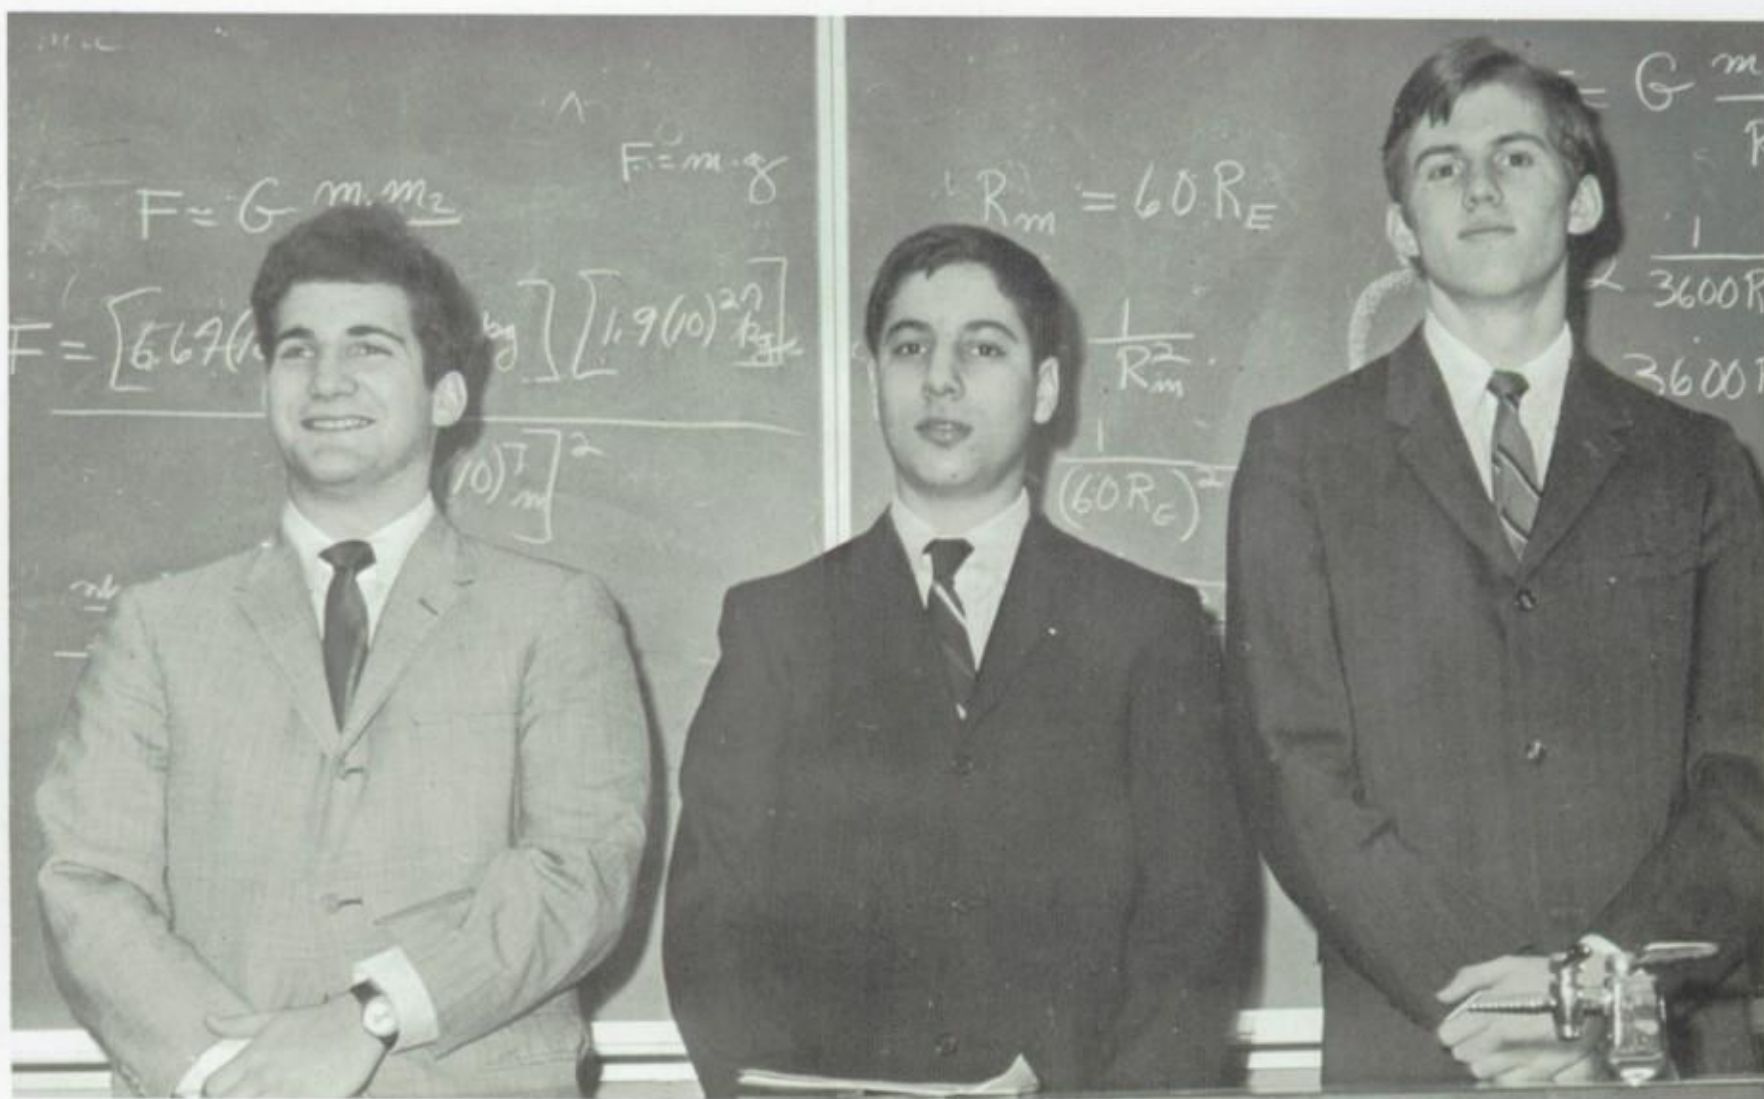

LEFT TO RIGHT: L. Rich, G. Cummins, R. Marascalco, N. Brown, M. Rose, T. Condon, T. Higgins, S. Kahn, M. Cimbalo, Q. Houston, R. Marlow, J. Saino, J. Condon, M. Montesi, B. Mathis, S. Cohen.

This year's Science Club, under the guiding hand of Brother Kenneth Michael, went all out to further the interests in science for C.B.H.S. students. Besides monthly meetings, the club made numerous trips to science centers in and around the metropolitan area. An enriching film program was also established to enhance the students' scientific knowledge. In this way they were able to fulfill their knowledge through experiments and accomplishments of others.

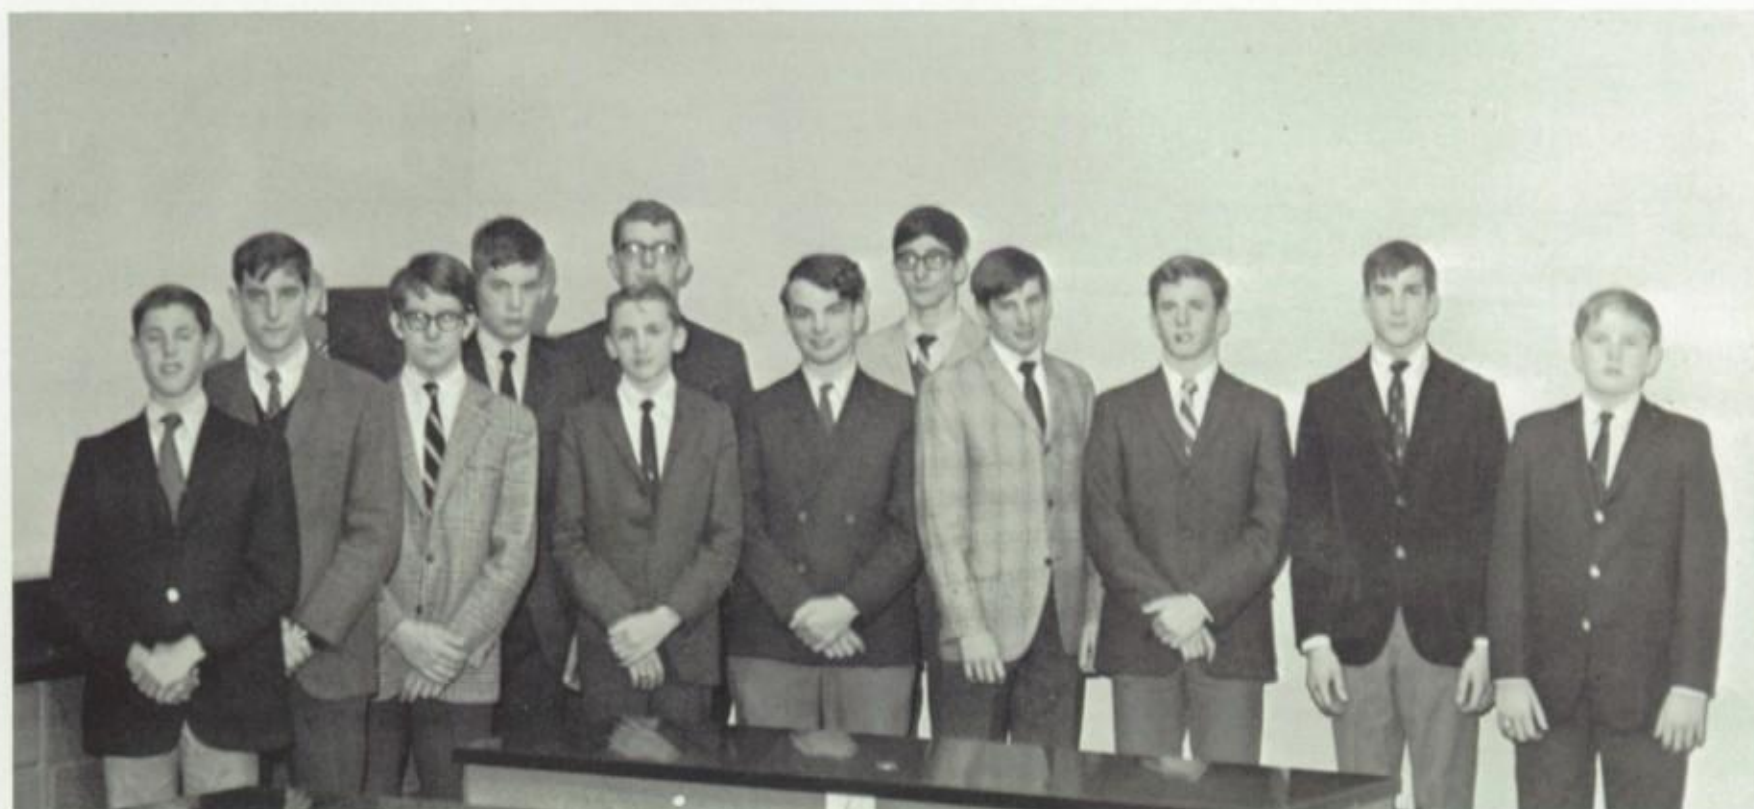

OFFICERS: E. Montedonico, Vice-President; R. Segal, President; R. Landrigan, Secretary.

FRONT ROW: G. Mangiante, G. Marlow, A. Visconti, R. Vecera, J. Montesi, I. Wahl. SECOND ROW: R. Copeland, K. Brown, M. Schaeffen, P. Giannini, M. Cimbalo, R. Walker, S. Romeo, M. Wood, B. Cohen, J. Mahoney, L. Martin.

This year four seniors formed the core of the Bowling League. They were Randy McLarty, Joe Montesi, Gene Mangiante, and John Romeo. These four built up the league's membership and helped place teams in many tournaments. Every time a team entered a tournament it finished very high among the leaders. Much support was received from each class with two of the league's stellar members being Dan Captino and Phil Scott, who were always among the league leaders in pin totals.

## Archery

In order to further the activity of the student body at C.B.H.S. in modern archery this new club was organized. Though in its early stages the club was handicapped by a lack of field equipment, plans are being formed to construct an open target range for practice and target competition. Later a field target range is planned so the members can compete in field and hunter rounds.

OFFICERS: H. Lansky, Secretary; D. James, President; M. Palazola, Vice-President; M. Adelson, Treasurer.

FIRST ROW: P. Sowray, T. Cutliff, J. Hale, R. Vecera. SECOND ROW: S. Gilson, M. Cimbalo, R. Felt, G. Lonon. THIRD ROW: C. Theobald, N. Plunk, T. Higgins.

## Chess

The Chess Club enjoyed only a moderately successful year in city tournaments, however, it was more fortunate in the bi-school meets in which C.B.H.S. was the vanquisher. For the more sedulous members of the group it was a mentally invigorating year with a marked improvement in everyone's game. As a young club, composed mostly of freshmen, the group will pose a strong threat to other powerful teams next year.

OFFICERS: J. Hale, Vice-President; T. Cutliff, President; P. Sowray, Secretary.

The primary purpose in the establishment of the Eastern Games Club was the stimulation of interest in play of the Oriental game of Go. Though the game is a very early invention of the Chinese, currently the Japanese are the masters of this highly strategic board game. In recent years the game has been imported from Japan to the United States. This year the main activities were regular tournaments that gave recognition to the club members showing the greatest skill and competitive spirit in the game of Go.

One of the most important organizations connected with Christian Brothers High School is the Mother's Club. Its purpose is to create a more personal relationship between the parents and the school and to render financial assistance by fund-raising projects where needed. This year's project was the attainment of stage equipment. It was financed through the revival of the traditional Family Night, a "Fun-Raising" Dance in the cafeteria, an Installation Luncheon, and the Annual Spring Card Party.

MODERATOR: Brother William. CHAIRWOMEN: Mrs. Rex Ryan, Card Party; Mrs. Art Brickey, Luncheon; Mrs. Frank Halford, Dance. MISSING: Mrs. Ray Sharp, Family Night.

The C.B.H.S. Boosters Club, under the guidance of Coach Tom Nix, has had a successful year. The Booster Club's purpose is to give aid and support to the Athletic department. This year they have sponsored a Las Vegas Party and a \$1,000 raffle. A pitching machine and batting cage has also been purchased from the proceeds of these. Work has been started on the track, football field, and baseball diamond, which will eventually be the best in the city. For the future, the students can look forward to complete ball fields and a new floor installed in the gym.

# Homecoming '67

Queen Sharon Signaigo and escort.

The gala Homecoming Dance was held on Saturday night, October 21, at spacious Clearpool. The dance was preceded on Friday by a pep rally and the Brothers' trouncing of White Station at Crump Stadium by the score of 41-12. The Chasers, a nationally known band, hypnotized the crowd with their vibrating, sweet soul music. About five-hundred students made this one of the biggest dances of the year. The evening reached a climax when Miss Sharon Signaigo, this year's Homecoming Queen, was introduced along with her court. Everyone agreed that this dance was one of the social highlights of the past year.

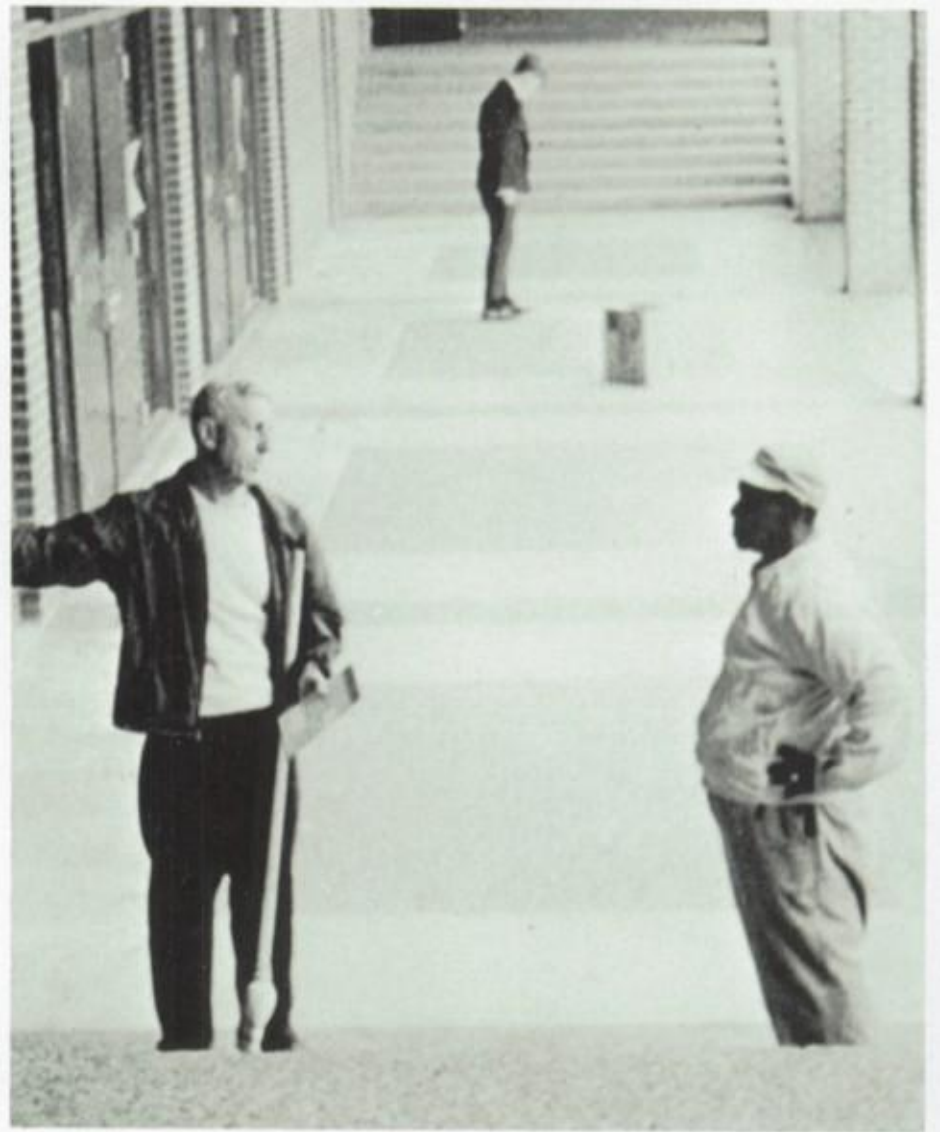

The 1967 Homecoming Dance proved to be one of the best in the school's history. The scene was set at Clearpool with the "Chasers" providing the sound. The Rose Dance, the top dance for underclassmen, was held at the Continental Ballroom and turned out a great financial success. As an added activity for the student body, "sock-hops" were held on Friday nights after important home basketball games.

## A Fond Farewell

Another era has passed in the history of Christian Brothers High School with the transfer of Brother J. Stephen to a new school in Kansas City, one of the greatest principals, one of the brightest guiding lights ever to be associated with this institution.

When he came here as principal about ten years ago, Brother Stephen began to run the school with the goal of improving its scholastic standards and stature in the community. He took on the awesome job of changing boys into men. Just look around and you can see the evidence of the accomplishment of these aims.

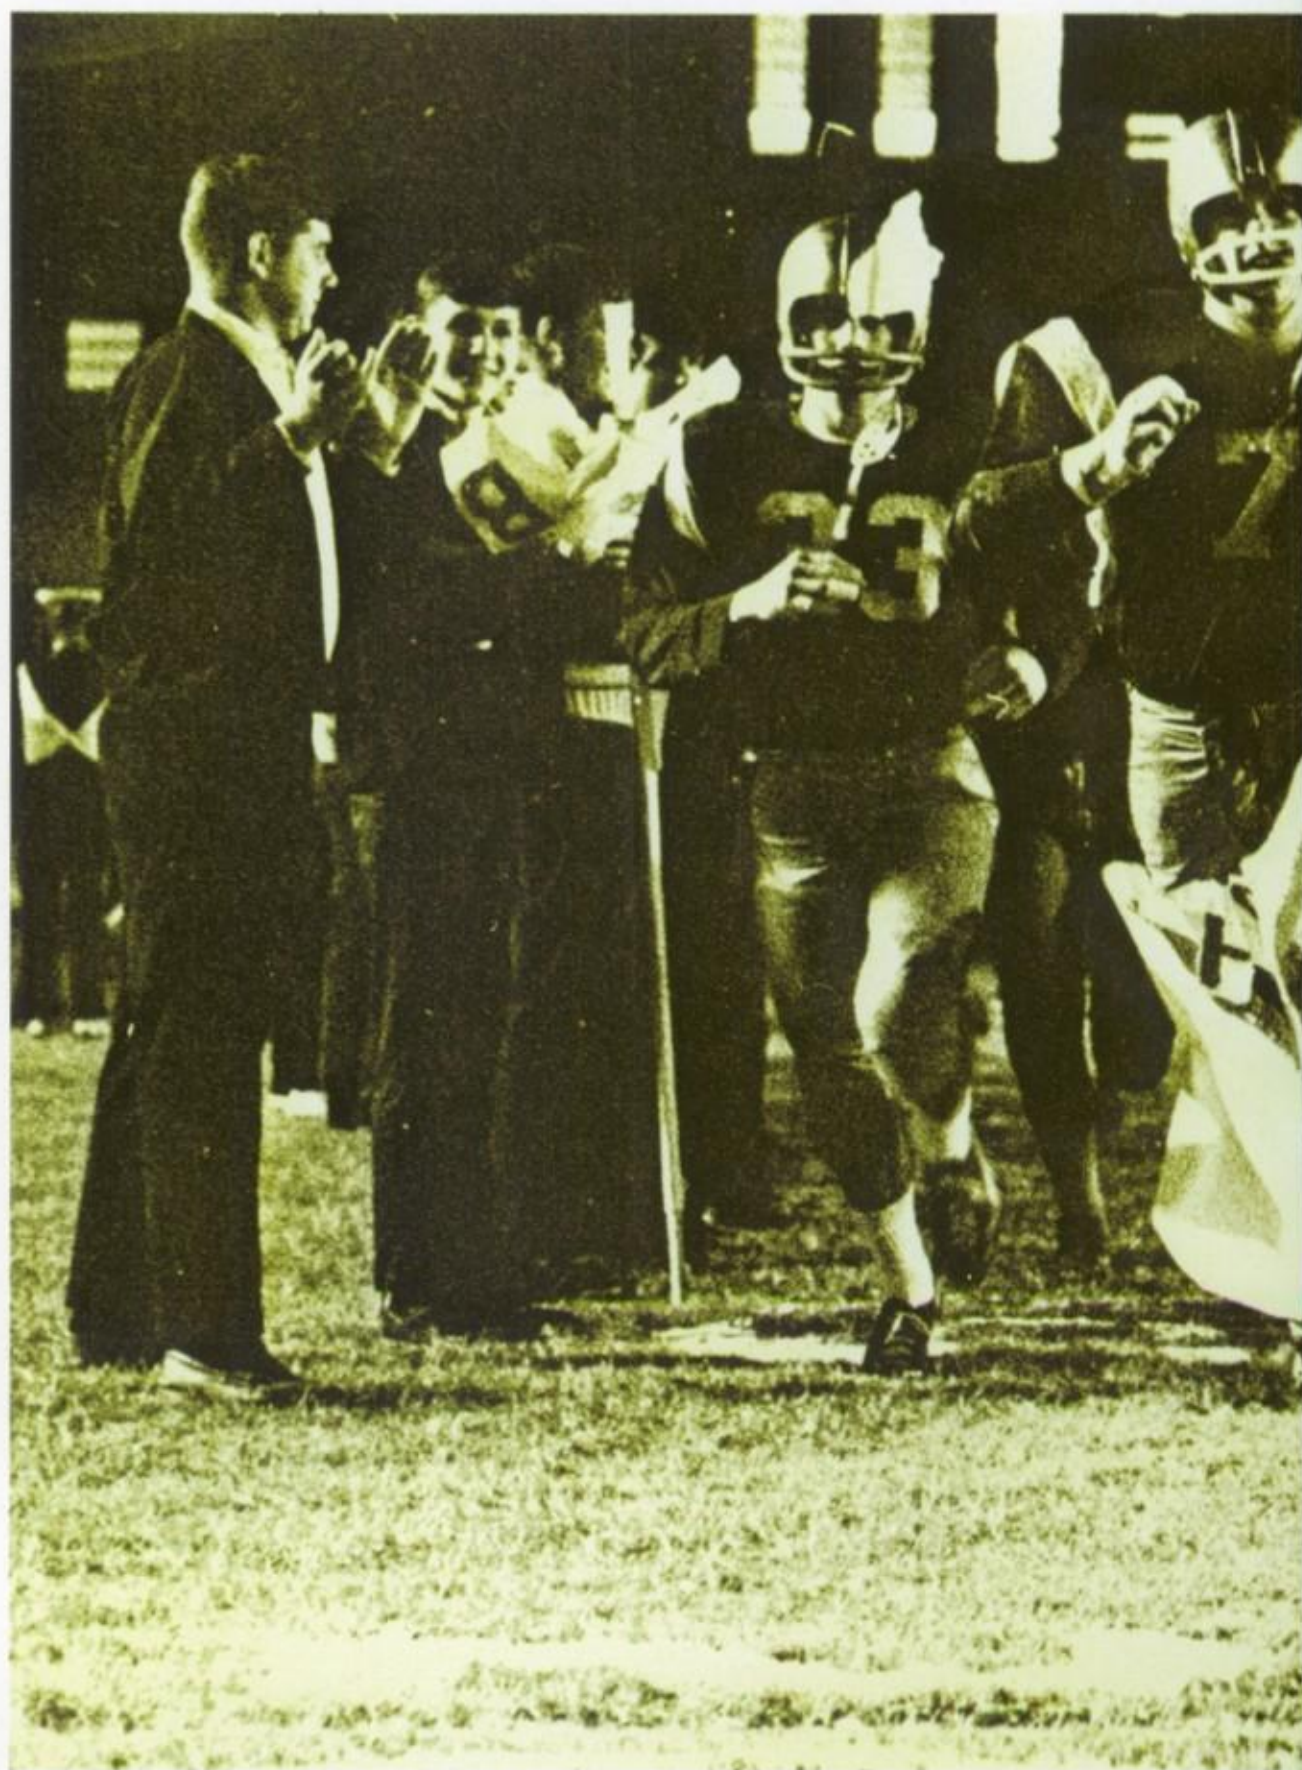

Under Brother Stephen's leadership, Christian Brothers has attained new heights in the field of education.

Although we are sure he is needed to get the new school on its feet, we will hate to lose Brother Stephen, for his leaving will form a great hole that will be extremely hard to fill.

# Varsity Football

Heralded as the most explosive and balanced high school team to emerge from Tennessee in the past decade, the Purple Wave outmanned all opponents in attaining an unblemished 11-0 record this year. Anchored by thirteen starting seniors, the mighty Brothers rolled over rival after rival. The Nixmen's maiden appearance was a 54-0 rout of Frayser. Two games later, arch-rival Catholic, touted as the number 1 team in the state, was buried in what proved to be the highlight of the newly formed Memphis Interscholastic Athletic Association league play. Easily capturing the AAA league championship, defeating three previously unbeaten teams along the way, the Brothers tangled with the rugged Warriors of Washington for the Red Division title and a berth in the city playoff. Bruising, hard-nosed play marked this exciting game as the Brothers emerged victorious. Memorial Stadium proved to be the climax of thirteen seniors' high school careers. Before 15,000 fans, the mighty Purple Wave thwarted high-flying Melrose and finished as the number 2 team in the state.

# Varsity Basketball

The 1967-1968 C.B.H.S. basketball team posted a 17-3 mark, one of the top performances in school history, and one of the best records in the city. Coach Russell Reid turned a .500 ballclub into a consistent winner in just one year. The Purple Wave finished 13-1 in MIAA play, gaining a share of the AAA title with powerful Carver. Balance was the key to the attack as six different ballplayers took individual scoring honors for a game. The Brothers proved tough in the tight ballgames, winning eight of nine contests that were decided by five points or less. The team responded to the increased attendance of the student body by going undefeated on the home court. With three players that started a majority of the games back next year, it looks as though Christian Brothers basketball has acquired a winning tradition.

Though hampered by the loss of Seniors through graduation, the C.B.H.S. Track Team still managed to have a very successful season. They finished the Indoor Season with two victories in three meets and a sixth-place finish in the City. Outdoor season began with the Brothers practicing on their new cinder track provided by the Boosters Club. They captured first place in the AAA League, fourth place in the City, and fourth place in the District. The hard work, long hours of practice, and competitive spirit put in by these boys helped in making the season a victorious one.

Composed of only underclassmen, the team showed the drive, desire, and the determination to be champions. Leading the pack was junior Ray Shivers, who was the only runner to reach the state finals. We are looking forward to a more successful season next year with the return of a stronger and more experienced team.

# Varsity Baseball

Due to an extremely wet spring, the 1968 varsity baseball season has been prolonged into late May. Because of this unusual weather a double-elimination tournament was set up to decide the MIAA Champion. This tourney will send representatives to the region tournament. The Brothers are looking forward to taking the city title for the second straight year and to winning the State. A mixture of veterans and newcomers should be the perfect formula for a successful season.

The Purple Wave swam to their first City Championship in six years of competition, by drowning their nearest rival 47-39. This capped an undefeated season under their new coach, George Stone. The team, composed of four Juniors and five Freshmen, placed first in five events while getting second in four others. Garry Chiles was the Brothers' only double winner, splashing to an easy victory in the 100-yd. backstroke and another first place in the 200-yd. Freestyle. Steve Cobb won the 50-yd. Freestyle and the team easily won the 200-yd. Medley Relay and the 200-yd. Free-style Relay. With such a young team the school can look forward to championships in the years to come.

# Golf

The 1968 golf team stands as the best bet around for the MIAA Championship. After a year of rebuilding in 1967, the linksmen, under the superb direction of Coach Nafe David, have enjoyed an undefeated season so far this year. The goal of this year's team is to regain the State Championship which it won in 1966 but lost last year. With determination and tremendous talent the golf team has exhibited so far this season, this goal seems almost certain to become a reality.

# Freshman Basketball

Freshman basketball finished the season with a 6-9 mark that is very deceptive. Under the guidance of Coach Noel Carie they managed this respectable mark though hampered by many handicaps. Not only were they one of the smallest teams in the league but also they played one of the roughest schedules in the city. Still they never let down and in this respect they should aid our future basketball teams.

# Freshman Football

The freshman football team, under the direction of Coach Scruggs and Coach Crone, experienced another winning season ending with a record of 4-3-1. The "Baby" Brothers got off to a good start with a victory over tough Sherwood 6-0. They were defeated by Melrose, White Station, and Colonial. They finished the season with an impressive victory over arch rival Catholic. The freshman players experienced some rough games but always came out in high spirits and they should be a big asset to the varsity team next year.

# Physical Education

A new phase of physical education was introduced this year to all the students at C.B.H.S. Instead of just exercises, the students played basketball and volleyball to develop their skill in those individual sports. These, plus the regular exercises, running, and weightlifting made physical education a little more enjoyable for everyone.

VARSAITY: LEFT TO RIGHT: Mary Hatfield, Judy Carr, Vicki Garbarini, Sharon Signaigo, Judi Dolan, Tine Keller, Linda Sandridge, Marla Micci, Dinky Delisa, Kay Amagliano.

## Cheer

CAPTAINS: Marla Micci and Judy Carr.

Often criticized and rarely praised, the cheerleaders continued to be an integral part of the C.B.H.S. athletic program. Whenever one attended a football or basketball game he found himself in the midst of a frenzy of spirit all predominated by the presence of the cheerleaders. This year's squad made us once again proud that we are the Brothers, and their successors should hope to do as well.

CAPTAINS: Brenda Hubert and Kay Szoboda

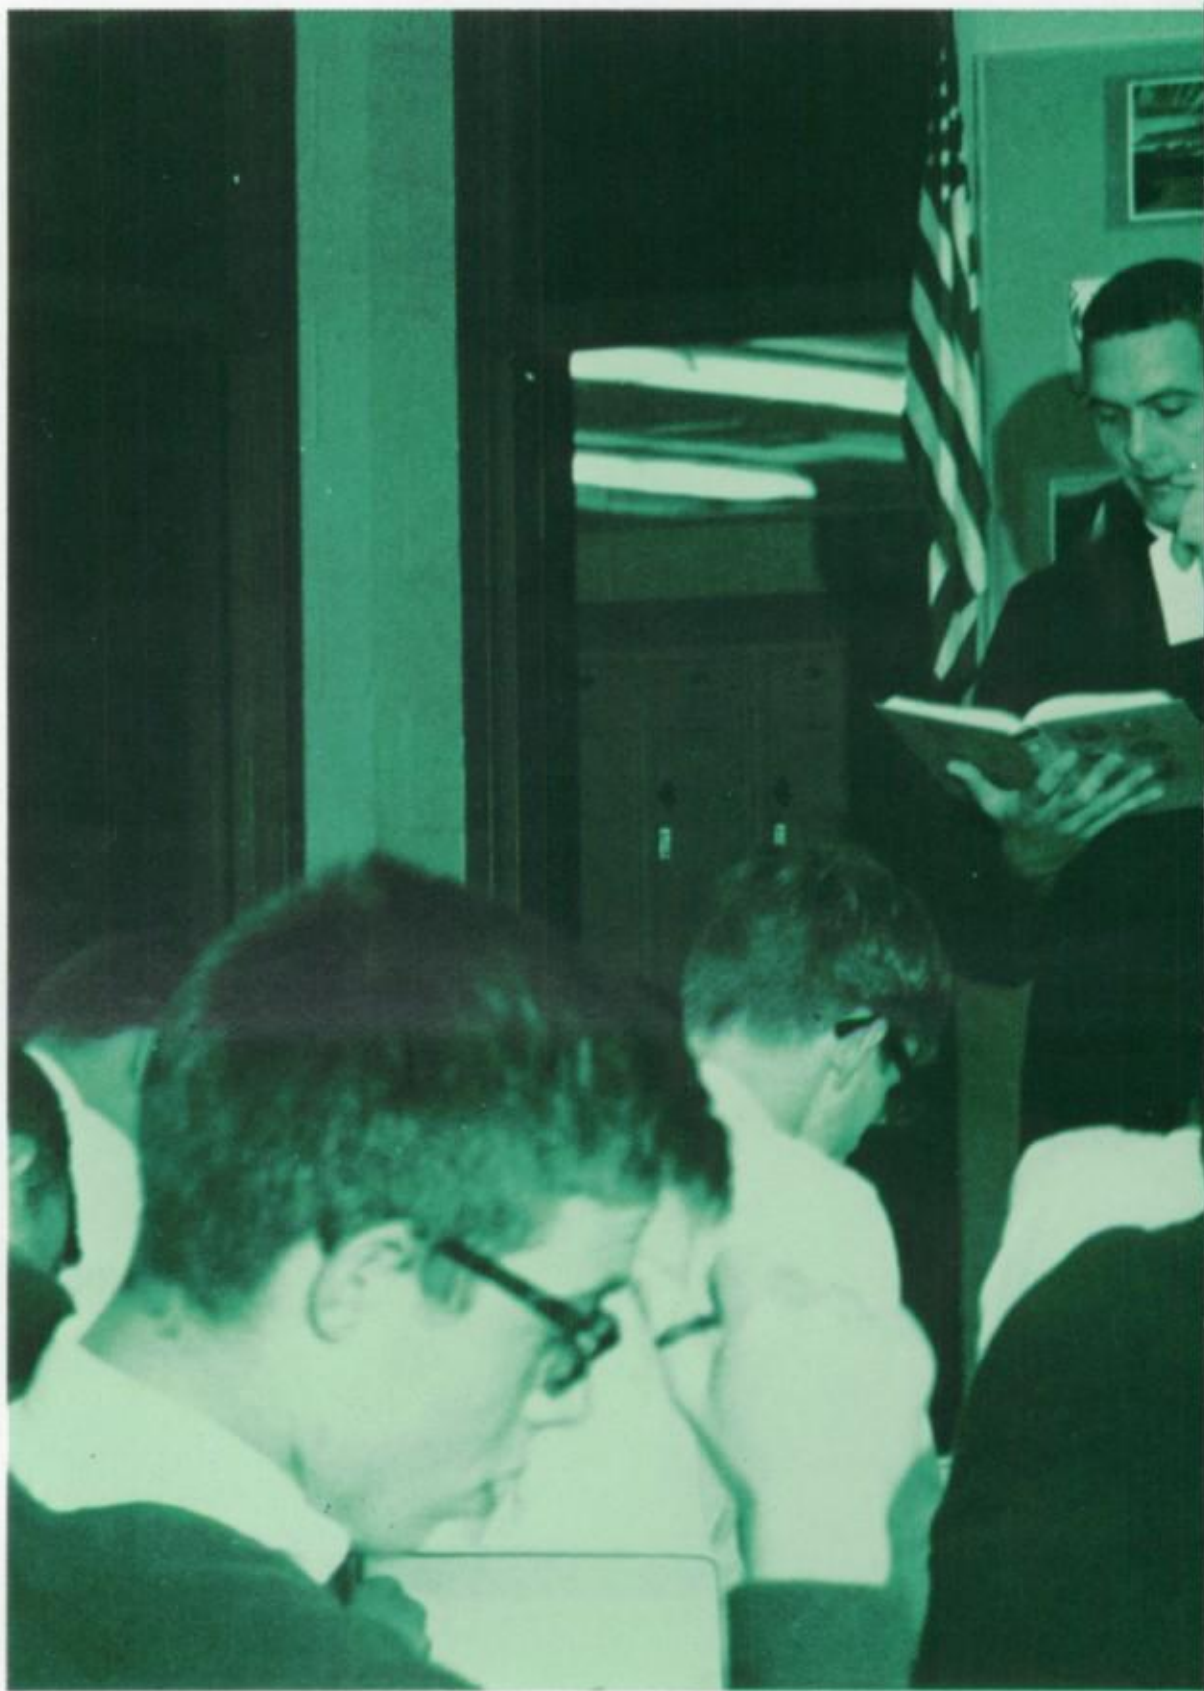

## leaders

FRONT ROW: Mary Klank, Kay Szoboda, Brenda Hubert, Lynn Andreoli, Rosemary Beretta.
